

LARGE PPU

PORTABLE PRODUCTION UNITS

For events where a more powerful system is required, XL Video has a range of large SD/HD portable production units catering to multi-camera systems and with either 2 or 2.5ME busses. These systems are ideal for multi-channel HD records and playback.

Choose between well-optioned Grass Valley Kayak or Karrera switchers, both supported by 64x64 SD/HD routers. These systems are supplied with flexible tally-integrated production monitoring.
