SC90 Stage Data Sheet

PRG SC90 Stage Deck is a flexible, portable stage that offers strength and durability and is also quick to assemble. The SC90 Deck is engineered for safe, efficient and rapid deployment and is easily reconfigured. The design is based on a standard 4'x8' (1.22m x 2.44m) size.

PRG's SC90 Deck is ideal for all markets including corporate events, concert touring, television and theatre. The SC90 Platform is constructed with an extruded aluminum frame that is combined with a sturdy 1" thick marine grade plywood substrate with an aluminum backer that provides a Class A fire rating. SC90 Platforms are available in a wide variety of sizes and is available or both indoor and outdoor applications.

Features

Quick and Easy Assembly
- Constructed with 1" thick marine grade plywood
- Top locking Roto-Locks provide monolithic floor with platforms are locked together
- Platform only needs support in four corners for quick setup
