

SPEEDDECK™ TOURING DECK LEGS

SPECIFICATION SHEET

TOP-ACCESS LEVELING

3" OF HEIGHT ADJUSTMENT

1/4" HEX KEY TOOLING

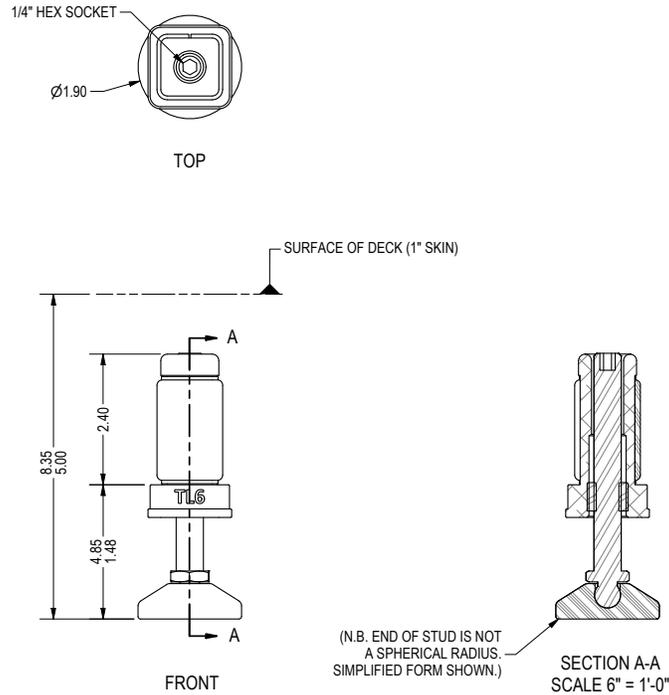

FAST INSTALLATION

Adding to the flexibility of the StageDeck™ system are PRG's Touring Deck Legs. Each leg offers 3" of height adjustment with four different sizes to choose from. Adjustments can be made through access holes in the StageDeck™ platforms using common 1/4" hex keys. The legs are quickly installed and removed making load-in, load-out, and transport fast and efficient.

SPEEDDECK™ TOURING DECK LEGS
