

Easyfix Fasteners

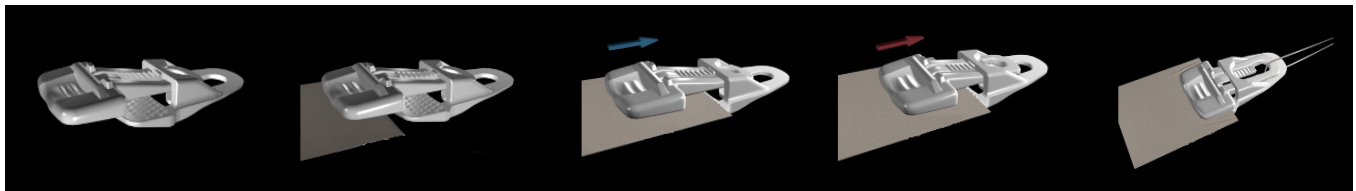

THE EASY ALTERNATIVE TO TRADITIONAL EYELETS or GROMMETS

The Easyfix fastener is designed specifically to grip up to 5mm thick fabrics and has a quick release mechanism. Its performance and appearance makes it perfect for stage, TV and events and it perform equally well on hemmed or on non-hemmed fabric such as cycloramas, gauzes, backdrops, netting, signs & banners and other flexible sheeting material.

Simply replace broken eyelets or add extra fixing points where required. They are kind to the fabric and hold without tearing. No tools are required which make side tensioning quick and easy.

- **Dim (LxWxH):** 70 x 40 x 18.5 mm
- **Weight:** 20 gr
- **Material:** Glass-fibre reinforced Nylon 6
- **Colour:** Black, white.
